語学 + New York University(NYU)ビジネス留学プログラム

ニューヨーク大学(NYU)ビジネス・サーティフィケート取得留学おススメポイント！

ニューヨーク大学=New York University(NYU)は1831年創立のNYを代表する私立大学。名門大学と知られ、アメリカで入学したい大学のトップ10にランクインする憧れの難関大学。

大学キャンパスはマンハッタン南、ワシントン・スクエアに隣接し、不動産、出版、スポーツビジネス、芸術学部演劇学科、映画学科が有名で、多くの著名人を輩出している。NYUは、生涯教育プログラム（School of Continuing and Professional Studies=SCPS）においても、パイオニア的存在であり、本プログラムではNYU SCPS のビジネス専門コース受講し、専門知識を身に付けることを目指します。語学学校との組み合わせにより、ビジネスの専門分野の知識のみならずビジネス英語の強化にも最適。

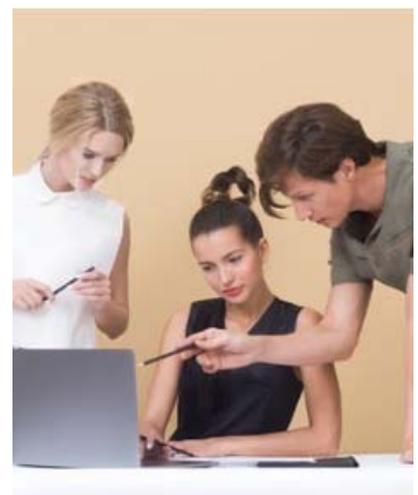

NYU ビジネス・サーティフィケート取得留学プログラムについて

- TOEFLのスコア不要で入学が可能。正規留学の学部の授業と同等のハイレベルな授業を受講することができ、大学の学位取得目的ではなく、NYUの社会人向け生涯教育プログラム=SCPSにて、集中的目つ短期間で専門分野学びたいという皆様におススメのプログラムです。NYUのSCPSは、留学生向けのプログラムではなく、あくまでも現地のアメリカ人の社会人向けに運営されるプログラムである為、クラスメイトは基本的にすべてアメリカ人です。但し、現地社会人向けのパートタイムのプログラムである為、NYU からビザを取得することはできません。従って、必ず語学学校からF1ビザを取得し、語学学校の授業を受講することを条件にプログラムにご参加頂きます。
- 有名大学の生涯学習プログラムのビジネスコースでは、学びたい専門分野だけを集中的に学ぶことができ、語学学校に通学しながら大学の授業を受講できるので、語学力に不安がある場合でもビジネスの専門プログラムを受講することが可能。ビジネスコース修了後、NYUからの受講証明書と成績表を取得。
- 世界的に有名な名門大学で、現地の社会人と一緒に授業を受講。語学学校での留学生のみの環境とは全く異なる環境でビジネス専門知識を習得。
- 語学学校修了日から60日以内に必ずアメリカを出国して帰国することが条件。この60日の期間はGrace Periodと呼ばれ、この間に無給のインターンシップを経験することが可能。インターンシップ先の手配は、求人豊富なキャリアエクステンジにお任せ下さい！

NYU ビジネス・サーティフィケート取得留学プログラムの特徴

- Business (ビジネス全般)、Management & Leadership (経営)、Film(映画関連)等、あらゆるビジネス分野を網羅した幅広い専攻科目。各専攻は、基礎から始まり、最新のビジネススキル・知識を学ぶことができる為、初心者受講だけでなく、すでに日本で社会人として活躍している皆様の受講においても、これまで大変ご好評いただいています。NYUビジネスコースの受講者のほとんどは、現地の社会人ですので、プログラムの受講を通じてクラスメイトとの情報交換や意見交換等、専門分野の生きた情報交換の場としても最適。
- NYUの場合、1セメスター(=約3~4か月間)1科目からの授業受講可能。1セメスターにつき、仮に3科目受講の場合、週3回夜間または週末にNYUの授業を受講するイメージです。私立の大学であるNYUは、4年制の正規学部入学の場合、授業料が大変高額ですが、SCPSコースの場合、必要な授業を必要な分だけ受講できる為、大変経済的です。
- 語学学校修了後のGrace Period(米国に合法的に滞在可能な期間) 8週間を利用して、現地企業でインターンシップを経験することが可能です。

ニューヨーク大学(New York University = NYU) について

The NYU School of Professional Studies is a leader in noncredit continuing education. People from across the country and around the world enroll in our noncredit courses of certificates. Professionally oriented programs are offered as well as those geared toward personal enrichment. Day, evening, and weekend schedules are available to fit your busy lifestyle. Courses are taught by top industry professionals, who provide you with the latest information in your area of interest. No matter what your passion or career path, you will find that the School offers a noncredit learning environment like no other.

Certificate Programs: Requirements and Benefits

NYUSPS noncredit certificate programs provide students with a comprehensive overview of a field they may be considering as a career. They are taught by highly qualified faculty members with in-depth experience in their subject areas. Certificates are comprised of courses that do not carry credit and are not NY State reviewed.

To earn an official certificate, students must declare their candidacy at the start of the certificate in which they enroll. Certificate candidacy entitles students to important benefits detailed on this page.

Students are welcome to take as many individual courses from a certificate program as they wish, but they will not receive an official certificate or be eligible for the benefits detailed below unless they declare certificate candidacy.

Certificate Requirements

- Students have up to three years to complete a certificate from initial date of registration, unless otherwise noted. An official certificate is available upon completion of all courses if an overall average grade of B or higher is maintained and candidacy has been declared.
- Certificate candidacy may be revoked if academic performance is not maintained, and Certificate candidacy may be revoked if student conduct policies are not adhered to.
- There is a one-time \$5 fee for the NYU student photo ID card; the card is active for the entire semester in which a registered student is enrolled in an approved certificate course and is deactivated when the student is not enrolled in an applicable course.
- Regular class attendance is required in order for a course to be applied toward a certificate program.
- Students may complete courses affiliated with more than one certificate in a given term, however, only one certificate will be issued and conferred in a term.
- Courses taken at NYUSPS may be applied to fulfilling the requirements of only one certificate program—no transfer work or waiver of the total number of courses required is permitted.
- The name printed on the certificate will match the name on the student's NYU transcript.
- Education Certificate in Financial Planning program do not require declaration.
- Approval for exception to any of the above requirements must be obtained in advance in writing from the program office.

Note: Departments may establish more stringent requirements for their programs. Check individual listings for details.

Certificate Candidate Benefits & Features

Career Advancement Courses afford students the opportunity to build upon their current professional insights, while differentiating themselves by acquiring knowledge in areas of specialty. Choose from a broad range of topic and subtopic areas below and acquire the skills that set you apart as you position yourself for growth and reinvigorate your career. Benefit from the connections you forge with professional peers, instructors who are industry experts, and guest lecturers. Courses also are available for personal enrichment as well as for those who are post career and who wish to pursue a path of lifelong learning or acquire the skills for a second career.

To earn a certificate, students must declare their candidacy at the start of their program of study. The Certificate must be completed within three years of taking the first certificate-eligible course.

●Applied Health ; CERTIFICATE IN CHILDCARE MANAGEMENT

The Certificate in Childcare Management provides individuals who will be responsible for the care of young children with the information that research indicates is essential to sustaining healthy development, together with the tools to implement best practices. This certificate consists of two required courses and four electives, which cover a wide variety of childcare management skills. These skills include basic information regarding children's social, emotional, cognitive, and physical development, as well as their learning processes during the first five years of life. Gain knowledge of limit-setting techniques to encourage emotional self-regulation abilities. Acquire the skills to design childcare environments that are safe and nurturing and to design and supervise creative arts activities for young children that foster imagination and confidence.

The six courses combined will not provide the 120 credit hours needed to obtain the Child Development Associate (CDA) Credential issued by the state of New York; however, the two additional elective courses (which are also available), will assist in obtaining the CDA credential.

●Art and Design ; CERTIFICATE IN ARTS MANAGEMENT

The growth in the number of organizations dedicated to the fine arts, dance, music, theatre, and related fields, combined with the influences of a constantly changing economic, cultural, and technological landscape, offers rich opportunities for skilled arts professionals. Whether you are currently working as an arts administrator and seek to improve your skills or to attain a new position, or you are considering a career change, the "Certificate in Arts Management" will provide you with the managerial, fundraising, marketing, and financial skills necessary to succeed in the competitive world of visual and performing arts organizations. This certificate is ideal for practicing and aspiring arts professionals, as well as visual and performing artists looking to enhance their careers with positions in arts management. Develop important critical thinking, leadership, and communication skills while expanding your professional networks and learning from experts in the field. This certificate consists of four required courses and two electives.

●Cities ; CERTIFICATE IN CITIES AND URBAN DEVELOPMENT

The Certificate in Cities and Urban Development will impart a foundational understanding of economic development, urban economics, and tools for solving challenges facing today's cities. Students who complete this certificate will gain an understanding of what makes a city successful, how to implement plans to foster economic growth and development, and how to use tools to make data-driven decisions on urban policy, thus better preparing them for careers in the field. This certificate consists of two required courses and two electives.

● **Fundrasing ; CERTIFICATE IN FUNDRAISING**

The Certificate in Fundraising is designed for those in fundraising, marketing, finance, nonprofit management, and related fields who are interested in gaining a greater understanding of the fundraising profession and complementing their course work with experience in the field. This certificate consists of three required courses and three electives.

● **Global Affairs ; CERTIFICATE IN GLOBAL AFFAIRS**

Today's global issues-from terrorism and immigration to the global economy, climate change, and human rights - have both subtle and significant implications in our lives. The importance of having an understanding of today's global issues cannot be overstated.

Whether you seek to prepare for a career in the international arena or you desire more in-depth knowledge of the topics you care about, our comprehensive course offerings in the Certificate in Global Affairs cover a variety of critical sectors and provide you with an opportunity to explore topics most relevant to your goals and to become an informed professional in the global arena. Our courses are taught by industry experts who bring their real-world experience and networks to the classroom to ensure exposure to current trends and practical knowledge. Courses are scheduled to meet the needs of working professionals and are offered during evenings & weekends, with some online options available as well. To earn the Certificate, you must successfully complete the two required courses and four of the seven elective courses.

● **Language and Translation ; CERTIFICATE IN TRANSLATION INDUSTRY ESSENTIALS**

Whether you are a novice translator exploring a new career path, or a practicing translator seeking a rigorous educational foundation for your work, the "Certificate in Translation Industry Essentials" is ideally suited to helping participants achieve their professional goals. This comprehensive certificate-available for all language pairs-provides an overview of translation concepts and techniques, as well as hands-on training in the translation of documents from a wide range of fields: financial, commercial, legal, and other areas pertinent to today's market. Students receive an introduction to the subject-specific knowledge and terminology required to work competently in today's translation environment, while acquiring critical editing and proofreading skills. They begin to build a portfolio of their own translations-an essential tool for all professional translators-and gain the confidence to handle assignments with speed and improved fluency. A translation admissions test required. The Certificate, which consists of two required courses and three electives, must be completed.

● **Management ; CERTIFICATE IN AGILE MANAGEMENT**

There is a growing demand across industries and business functions to quickly and efficiently deliver business solutions that align with rapidly changing environments. The agile methodology for systems development has evolved into the application of this "mindset" for project management, regardless of the industry. The "Certificate in Agile Management" consists of two required foundational courses and two electives, which cover topics such as agile project management, leadership (coaching), ethics, team management, and systems development management.

● **Management ; CERTIFICATE IN LEARNING DESIGN**

The Certificate in Learning Design is targeted toward professionals who are responsible for creating training and development experiences in organizations. There is a growing demand for immediate and impactful learning design in the workplace. The learning includes the application of adult learning theory and practical approaches to designing, developing, delivering, and evaluating experiences. The Certificate consists of two required foundational courses and two electives and is expected to take up to two semesters to complete. Upon completion of this certificate, students will be able to apply the core principles of learning and training development in a variety of industries.

● **Management ; CERTIFICATE IN ASSOCIATE PROFESSIONAL IN HUMAN RESOURCES (APHR)**

The Certificate in Associate Professional in Human Resources™ (aPHR™) is a rigorous program designed primarily for individuals seeking certification as an Associate Professional in Human Resources (aPHR) from the HR Certification Institute® (HRCI®). New professionals starting a career in the field of human resources will find the new Associate Professional in Human Resources (aPHR) certification a valuable credential to possess, as it represents the industry's first-ever HR certification designed for practitioners who are just beginning their HR professional journey. Human resources has shifted away from an administrative function to a more strategic, visionary role within organizations that brings high-value contributions to organizational success.

The certificate course work addresses legal and ethical components of the decision-making process, as well as skills in the areas of strategic thinking, problem solving, leadership, negotiation, and communications—the essential tools that all HR practitioners must master. An understanding of human behavior in the business environment is essential, and it prepares students to succeed as an HR professional. This program builds competencies in organizational conflict resolution, interpersonal effectiveness, labor relations, talent recruitment, compensation and benefits, learning and development, and risk management. An in-depth review of basic topics related to communication, motivation, group dynamics, leadership, performance management, and technology support professional growth, while learning how the changing role of HR requires the application of best practices in developing and presenting initiatives that support business demands.

Certificate participants will develop a junior strategic plan and personal scorecard to enhance their accountability and potential impact in the HR sector. At the conclusion of this certificate, students will be prepared to sit for the Associate Professional in Human Resources™ (aPHR™) exam. This certificate program, which consists of four required courses, is blended, meaning that courses are offered in a mix of online and in-person formats.

● **Marketing and Public Relations ; CERTIFICATE IN SOCIAL MEDIA**

The Certificate in Social Media gives students general knowledge of the social media field that can be applied to any profession. Upon completion of this certificate, students will be able to explain the principles of social media, examine key aspects of social media communications, and identify existing and future opportunities for social media communications. This certificate consists of two required foundational courses and two electives and is expected to take up to two semesters to complete.

● **Marketing and Public Relations ; CERTIFICATE IN STRATEGIC MEDIA COMMUNICATIONS**

Marketing and public relations are moving to become a unified industry. The two disciplines work in tandem to produce communication solutions that directly affect a company's bottom line. The "Certificate in Strategic Media Communications" serves to provide foundational public relations knowledge for anyone interested in PR, but it also is ideally suited for marketing professionals who need public relations knowledge to remain current in their industry. This certificate consists of two required foundational courses and two electives and is expected to take up to two semesters to complete. Upon completion, students will be able to create practical public relations solutions that positively affect a company's bottom line, explain how public relations principles are critical to the success of any organization, and examine current events through the lens of PR challenges and opportunities.

● **Media and Communications ; CERTIFICATE IN EFFECTIVE BUSINESS WRITING**

This certificate provides participants with the writing skills necessary to compete and succeed in a rapidly evolving workplace. While more than 70 percent of prospective employers identify strong writing skills as essential to success in their industries, nearly 60 percent report having difficulty in finding candidates that have mastered even basic writing skills. Students who have completed the Certificate in Effective Business Writing will be able to claim a competitive professional edge by demonstrating a high-level proficiency in basic writing and communication skills, and by having strategies for adapting those tools to a growing and ever-changing technological landscape.

● **Media and Communications ; CERTIFICATE IN FILMMAKING**

Gain an understanding of the essential concepts, techniques, and technology of digital filmmaking, while producing your own short film in the Certificate in Filmmaking. From the fundamentals of creating a screenplay to the technical craft of editing and postproduction, gain a comprehensive framework in the craft of cinematic storytelling. Through lectures, demonstrations, hands-on training, and evaluations of creative projects, learn professional standards and procedures from award-winning filmmakers. The Certificate, which consists of five required courses, must be completed.

● **Media and Communications ; CERTIFICATE IN STORYTELLING: NARRATIVE TOOLS AND APPLICATIONS**

Great writing, whether for the screen, the stage, or the page, begins with great stories. But the power of telling stories, and the demand for good storytellers, is not limited to professional writers. Success in nearly every industry, from politics and design to marketing and finance, hinges less on the “messaging” of facts than on the ability to tell a good story. The Certificate in Storytelling: Narrative Tools and Applications is designed to provide a flexible, comprehensive approach to narrative that will distinguish participants working in a wide range of industries and media. Aspiring writers at all levels will gain the skills and experience they need to improve their craft and publish their work; professionals and candidates in other fields will develop a set of highly desirable skills that will set them apart. This certificate is part of the Storytelling Lab at the Center for Applied Liberal Arts. The Storytelling Lab team will help participants choose a path of courses tailored to their professional and creative goals. The Certificate, which consists of two required courses and three electives, must be completed.

● **Real Estate and Construction ; CERTIFICATE IN BUILDINGS AND CONSTRUCTION**

The Certificate in Buildings and Construction will give students an understanding of the current technologies and methods in building construction, systems, and technologies used to manage and maintain built structures. Students also gain an overview of the management of construction processes, which helps to prepare them for careers in the field. This certificate is awarded to those who successfully complete the two required courses and four electives.

● **Real Estate and Construction ; CERTIFICATE IN DEVELOPMENT AND LAND USE**

The Certificate in Development and Land Use will give a foundational understanding of the legal and regulatory environment of development activities, as well as a basic overview of the development process and development financing. Students who complete this certificate will gain an understanding of how land use and regulation affect new development, what it takes to make a development ready for approval, and how development is financed. These skills will prepare students better prepared for careers in the field. The Certificate is comprised of two required courses and four electives.

● **Real Estate and Construction ; CERTIFICATE IN GLOBAL REAL ESTATE**

The Certificate in Global Real Estate provides a foundational understanding of the methods and challenges of cross-border real estate investment, the nature of global real estate markets, and means of accessing international capital markets for domestic transactions. Students who complete this certificate will gain an understanding of the methods investors use to analyze foreign markets, the risks and challenges of implementing a global real estate investment strategy, and the tools to source capital internationally, thus better preparing them for careers in the field. This certificate consists of two required courses and four electives.

● **Real Estate and Construction ; CERTIFICATE IN REAL ESTATE CAPITAL MARKETS**

The Certificate in Real Estate Capital Markets will provide a foundational understanding of debt and equity markets and their use in financing successful real estate acquisitions or developments. Students who complete this certificate will gain an understanding of the nature and function of real estate capital markets, the process of loan and equity investment issuance, and the tools used by lenders and analysts when underwriting deals, thus better preparing them for careers in the field. This certificate consists of two required courses and four electives.

● **Real Estate and Construction ; CERTIFICATE IN REAL ESTATE INVESTMENT**

The Certificate in Real Estate Investment will provide a foundational understanding of real estate investment principles and techniques, as well as a broad overview of types of investible real estate and markets. Students who complete this certificate will gain an understanding of investment decision-making, deal analysis, and real estate investment markets, thus better preparing them for careers in the field. This certificate consists of two required courses and four electives.

● **Finance ; CERTIFICATE IN INTERNATIONAL BUSINESS AND TRADE**

To remain globally competitive, organizations need to have employees who possess an increased awareness and understanding of various aspects of international business and trade. These include, but are not limited to, international banking, taxation, trade logistics, and talent management. The Certificate in International Business and Trade provides participants with an introduction to business, finance, and trade within a global context through two required foundational courses and a minimum of three electives. The foundational courses, which can be taken in conjunction with electives, enable students to gain a broad understanding of fundamental areas, while the electives provide the opportunity to focus on specific areas of interest from a list of relevant courses.

● **Technology ; CERTIFICATE IN DATA VISUALIZATION**

This certificate helps individuals with no previous experience in data visualization to gain general knowledge in the field to apply to their current profession. The Certificate in Data Visualization consists of two required foundational courses and two electives and is expected to take up to two semesters to complete. Upon completion of this certificate, students will be able to apply the core principles of data visualization and basic graphic design principles to transform data into information and to create compelling and engaging visualizations using data visualization tools.

● **Hospitality and Tourism ; CERTIFICATE IN EVENTS AND CONVENTION MANAGEMENT**

The Certificate in Events and Convention Management provides a solid foundation in the event and convention management process, including venue selection, design and production, stakeholder management, budgeting, contracting, and risk management. In addition, learn about the economic value of meetings and events for achieving organizational goals, and develop the skills and foresight to analyze and to employ the trends that will shape the experience, delivery, and outcomes of meetings. Upon completion of this online certificate, you have a solid understanding of the key buyers, suppliers, and intermediaries in the industry, as well as the technologies that influence it. This certificate is comprised of two required courses and three electives.
