## ELIの特徴 (ALI=Amerian Language Institute から変更されました!)

NYU-ELIの校舎は、マンハッタンを中心、グリニッジヴィレッジ(Greenwich Village)ニューヨーク大学の校舎のひとつが、語学学校に当てられており、ロケーションの素晴らしさでダントツNo.1。また、学校の雰囲気がとてもフレンドリーで和気藹々としながらも、アメリカの大学・大学院を目指す真剣な留学生が多いと評判の良い学校です。ELI語学学校のレベルは9段階、授業は月曜日～木曜日。初級から中級では、総合的な英語力強化を目指し、上級では、学部の授業、論文の書き方、ディスカッションの練習なども行われ、大学進学に向けた実践的なカリキュラムには定評があります。語学上級者の場合、学校の許可を得た上で上級レベルの場合、ELI Professional English Program (PEP)から、または、NYU School of Professional StudiesのNoncreditコース (Marketing, Finance, Digital filmmaking等々) から3～4クラスの受講も可能。大学の図書館やカフェテリアなどは、ELIとは別のビルにあり、ELIの学生証提示により学部生と同様に大学施設の利用が可能です。日常会話レベル～上級者まで入学可能なビザ取得プログラム **1)Comprehensive English Program** および、上級者用短期ビザ不要留学プログラム **2)Mastering English Program** をご案内いたします。

The Comprehensive English program of NYU - SPS prepares students to function in English in a range of academic, personal, and professional situations. The classes emphasize using English in realistic situations while challenging students intellectually.

The Intensive English Courses of the English Language Institute of New York University SPS not only offers 20 hours of high quality instruction, and excellent academic preparation a week, but also provides the prestige to study in one of the most recognized Universities in the world, and the opportunity to keep learning and improving the English language outside of the classroom. The campus is located in downtown Manhattan, the heart of New York City, which gives incomparable access to the cultures of the world and create opportunities for practicing English in New York City.

For more than 60 years, English Language Institute (ELI) of New York University SPS (former American Language Institute of NYU ALI) has crafted programs of English instruction that take full advantage of its location in the heart of New York City, one of the world's most exciting and diverse cities. As a leading center for media, culture, entertainment, art, fashion, global commerce, finance, research and technology, New York affords those learning English the chance to explore the language in a multidimensional context. The sights, the sounds, the smells and the excitement of the City will add incredible depth to your learning experience. Exposure to people from around the world will serve to enrich you academically, culturally and linguistically.

Classes range from beginning to advanced levels of proficiency. Morning classes are devoted to reading/writing and listening/speaking skills. In the afternoon classes, students choose electives from a broad array of options including "The New York Art Scene," "Improvisational Acting," "Exploring New York," "Listening Through the Movies," "American Culture," "Reading The New York Times," and "Communicative Skills," among others.

At the beginner levels, the program integrates instruction in the four basic language skills: listening, speaking, reading, and writing. Advanced classes follow a similar pattern, but provide the opportunity for students to concentrate on particular areas of emphasis—for example, writing, grammar, or pronunciation. Popular electives that are taught in the afternoon, allow students at all levels of proficiency, to practice their emerging English skills in real-world situations.
