We are proud to announce the opening of our new academic centre in Nottingham at the campus of our esteemed partner, The University of Law. Students will study at our partner’s campus in brand new facilities in the stunning surroundings of this beautiful historic city.

We are delighted to continue our partnerships with prestigious Universities across the UK and have extended our pathway provision by adding Foundation and Pre-Masters programmes to our existing Pre-Sessional pathway. We aim to provide all our students with the best pathway to a UK university by securing more and more university partnerships throughout 2023.

The Language Gallery in the UK is part of the thriving Global University Systems group, an international network of higher education institutions where 78,000 people are currently studying around the world in 42 international locations. Based in some of the world’s biggest cities, from London to Singapore, the group’s network is continually growing as we develop partnerships, establish new academic institutions and expand into new regions.

A British Experience

The UK is proud to be the home of the English language. We’ll help you discover some of the UK’s most iconic landmarks outside of your chosen city with organised trips to Stonehenge, Oxford, Cambridge, Bath, Windsor, Edinburgh and more.
