## About CAMPUS Education

Since it opened its doors in 1999, Computer Professional Learning Center, now Campus Education, addressed the needs of both the local and international community, educating over ten thousand students in English as a second language, computer networking and programming, business, and healthcare. Since we changed our name from CPLC Education to Campus Education, we have sought to enhance and expand our programs for students across the United States and around the world.

CAMPUS offered its first classes at its school in Jersey City, NJ; it now has multiple locations in the U.S. We are committed to empowering students with the knowledge and skills required in today's fast-changing job market. By closely monitoring current trends in university programs and professional fields, we keep our course offerings innovative and our programs competitive.

### Fast Facts

- We have helped over 10,000 students achieve their goals.
- We have been teaching students for more than 15 years.
- We have partnerships with some leading colleges and universities.
- Our students have come from over ninety countries around the world.
- Our multilingual admissions representatives offer assistance in more than ten languages.
- All CAMPUS locations are located near public transportation.

# The CAMPUS Experience

CAMPUS is more than just learning English...  
you'll have fun and make friends.

Global Classroom Experience...  
students from over 90 countries have attended CAMPUS

Learn English...  
meet friends from around the world

Speak English with Confidence...  
our caring and dedicated instructors make the difference

## CAMPUS Courses

For the very best in ESL...

### TOEFL iBT

CAMPUS Education is an emerging leader in the newest and best techniques to prepare students for the TOEFL iBT. Our courses are designed and taught by our CAMPUS TOEFL Team – a group of experienced, dedicated instructors who work together to ensure every student's success. Our team helps students raise their scores by developing knowledge of the test; improving their vocabulary, grammar, and pronunciation; and focusing on listening, speaking, reading, and writing skills that will lead to success on the test.

### GENERAL ENGLISH

CAMPUS Education courses are available to students at every level of English proficiency. Our classes concentrate on improving students' listening, speaking, reading, and writing skills while deepening their knowledge of vocabulary and grammar. The content is carefully tailored to suit individual learners' needs. Groups meet in small, comfortable classrooms and take part in engaging activities to build confidence and achieve communicative goals.

### ACADEMIC PREPARATION

The CAMPUS Academic Preparation program is for students planning to study in college or graduate school. As in a college-level seminar, they listen to academic lectures, discuss topics, and make oral presentations. They also read articles and longer texts and write short essays in response to them. In this program, students build their vocabularies, learn how to structure essays, and improve their oral presentation skills.

# The **CAMPUS** **Advantage**

Student-centered teaching approach

Licensed, experienced, dedicated staff

Diverse student population

Innovative curricula and methodologies

Personalized attention

Affordable tuition

Flexible schedules

Conveniently located centers

Multiple locations in the U.S.

## Reasons local students choose **CAMPUS**

We regularly update and expand our course offerings and have partnerships with a wide variety of companies.

We offer small class sizes and individual attention, including placement assistance and job support.

## Reasons international students choose **CAMPUS**

Our highly communicative English language courses range from beginner to advanced levels.

We offer exceptional TOEFL Preparation courses and participate in a TOEFL waiver program with our partner colleges and universities.

Our multilingual admissions staff are available to assist students at every stage of the application process, including assistance with housing accommodations.
