Why TasTAFE?

1. Industry links

TasTAFE has built strong and trusted bonds with Australian employers and industry bodies over many decades. TasTAFE is focused on teaching the skills that industry needs, so that students graduate job-ready and with maximum employability.

2. Real work experience

Most TasTAFE courses contain a comprehensive real-world industry work placement. This gives our students the opportunity to build valuable real-world experience and contacts through working in a high quality organisation in their chosen field.

3. Individualised support

TasTAFE has dedicated International Student Advisors and English Language Support Teachers who will assist you with an airport pickup, finding accommodation, your life as a student and finding employment. Tasmanian Government Education also operates a 24/7 emergency contact line for international students to ensure help is always available.

"I studied a Diploma of Nursing... TasTAFE teaching staff were very supportive. I am now employed as a nurse in an aged care facility. I love my job, to be able to reach out and care for people at work has brought me great satisfaction."

– Lili, Diploma of Nursing graduate
(pictured above during her studies)

4. Government owned and operated

TasTAFE is Tasmania's only government owned and operated education provider, guaranteeing high quality, stable and secure education. Employers throughout Australia and the world recognise and value TasTAFE graduates because they are confident in the quality of TasTAFE teaching, facilities and qualifications.

5. Pathways to university

TasTAFE partners with the University of Tasmania (UTAS) to deliver Diploma + Bachelor Degree Pathways. Students benefit from the practical skills training and work placements of TasTAFE, and then expand their theoretical knowledge through university study. Our University Pathways allow students to commence their study journey with lower English requirements and at a lower price, while earning two valuable qualifications and increasing their employability.

Why Tasmania?

1. Quality of living

Tasmania offers a chance to be part of a thriving community with a lively cultural, food and arts scene, markets and music festivals. Breathe the world's cleanest air and enjoy living in an incredibly beautiful natural environment.

2. Opportunity

Tasmania has the fastest growing economy of all Australian states, and our key industries of Tourism, Healthcare, IT and Engineering are growing rapidly. There are many exciting employment opportunities available for students who choose to work during or after their studies in Tasmania.

3. Affordability

The cost of living in Tasmania's cities is significantly lower than that of many other cities in Australia. Students are able to live centrally in Hobart or Launceston and enjoy the great lifestyle while maintaining some of the lowest average weekly costs in Australia.

4. Safe and welcoming

Tasmania has the lowest crime rates in Australia and is renowned for its friendly and approachable people. Tourism is one of Tasmania's most important industries, so Tasmanians are understanding of cultural differences and are very helpful to newcomers.

5. English learning environment

Less than 1% of students at TasTAFE are international students, which means that you will interact with our friendly locals more. This gives you the opportunity to develop your English language skills faster while enjoying an authentic Australian experience.

English Language Requirements

All of our courses are delivered in English, therefore TasTAFE has stringent English language requirements. If you do not meet the English language requirements for direct entry into your chosen course we can package English study in either Hobart or Launceston.

If you have not completed an English Language test, Tasmanian Government Education can provide you with an online test to determine your English score. Please note that this test is not available for TasTAFE's Diploma of Nursing.

	IELTS	PTE	TOEFL				TOEFL Paper
Diploma of Nursing	7.0 (no band less than 7.0)	65–78	S 23	L 24	W 27	R 24	N/A
All other courses	5.5 (no band less than 5.0)	42–49	46–59				527–549

Living arrangements

TasTAFE has campuses in both of Tasmania's major cities: Hobart and Launceston. Students can stay in on-campus student accommodation (\$178.50), or are welcome to arrange a private rental or homestay.
